14	Saturday Classes	1	1
Total		3 3	3 3

* International Students are to be placed in a 2nd Grade class.

An international year student who starts her first semester in September (September –December) will remain in the same grade after her second semester (January- March) although her Japanese classmates will be placed in the 3rd grade class in the following April due to the difference in school system in Japan and in the other countries.

Classes with ☆ are regular classes with Japanese homeroom classmates.
